Founded in 1907 as a messenger company in the United States, UPS has grown into a \$42.6 billion corporation by clearly focusing on the goal of enabling commerce around the globe. Today UPS is a global company with one of the most recognized and admired brands in the world. We have become the world's largest package delivery company and a leading global provider of specialized transportation and logistics services. Every day, we manage the flow of goods, funds, and information in more than 200 countries and territories worldwide.

UPS and China

- UPS operations in China cover more than 330 cities and account for more than 85 percent of China's international trade.
- Total US flights to China increased to 21 frequencies in 2006
- Launched maiden retail operations in China in August with the introduction of two UPS Express stores in Shanghai
- New UPS air hub will be established in Shanghai in 2007 and the facility will be ready in 2008
- UPS is the Official Logistics and Express Delivery Sponsor of the Beijing 2008 Olympic Games

UPS's Presence in China
